

Annabella Carneros 2009 Pinot Noir

100% Carneros
100% Pinot Noir
Aged 11 months in French Oak

This elegant Pinot Noir has a deeply colored Bing cherry hue. The aromatics of this Carneros Pinot Noir has a profile of toasted French Oak, earth, and truffle back drop onto which sits a complex matrix of ripe cherries which unwind with Rainer, Bing, and Montmorency. The palate is ripe with juicy cherry and raspberry coulis and finishes with cinnamon stick, cocoa, sweet cherry, and a slight cherry pit snap combined with layers of supple French oak flavors.

This Carneros Pinot Noir is from one of the finest coastal vineyards in California and is comprised primarily of Pommard Clone 4, known for good color and seductive earthy characteristics. A great value in the category with consistency delivered year after year.

This wine pairs well with smoked Duck breast and French lentils served with braised fennel. Try it with classic Cassoulet or wild game. Drink now until 2014.
